PROFILE

I aim to leverage my expertise and skills in the field of real estate marketing and brokerage by working in a professional environment that allows me to continually develop myself and achieve sustainable successes. I will strive to provide the highest levels of service to clients and meet the financial objectives of the company I work for. I will continue to learn and stay updated on the latest real estate market trends to offer the best solutions and opportunities to my clients and contribute to the growth and success of the company.

| 01-2022 → present | I am currently studying real estate consulting |

WORK EXPERIENCE

- | | |
|---|---|
| 04-2022 → present
Website
Manager | Real Estate Marketing Services via Website: I have created and managed a dedicated website to offer real estate marketing services to clients. This includes detailed property listings and comprehensive information, as well as providing professional consultations to clients interested in real estate. I played a vital role in guiding clients and assisting them in making informed decisions regarding property purchases and sales. |

VOLUNTEERING

Volunteering at a Senior Care Facility: I spent seven valuable years as a volunteer at a senior care facility. I provided services with love and care to the elderly residents, making every effort to meet their needs and ensure their comfort. This experience enhanced my ability to communicate with diverse individuals and improved my skills in teamwork and empathy.
